O CANADA

O Canada, our home, our native land,
True patriot love in all thy sons command.
With glowing hearts we see thee rise
The True North strong and free;
And stand on guard, O Canada
We stand on guard for thee.
O Canada, glorious and free,
O Canada, we stand on guard for thee.

THE STAR-SPANGLED BANNER

Oh, say, can you see, by the dawn's early light
What so proudly we hail'd at the twilight's last gleaming,
Whose broad stripes and bright stars, through the perilous fight
O'er the ramparts we watch'd, were so gallantly streaming?
And the rocket's red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there,
Oh, say, does the star-spangled banner yet wave
O'er the land of the free and the home of the brave?

(Repeat last two lines)

THERE'LL ALWAYS BE AN ENGLAND!

There'll always be an England,
While there's a country lane,
Wherever there's a cottage small,
Beside a field of grain.
There'll always be an England,
While there's a busy street,
Wherever there's a turning wheel,
A million marching feet.
Red, White and Blue, what does it mean to you,
Surely your proud, shout it aloud Britons awake.
The Empire too, we can depend on you,
Freedom remains, these are the chains nothing can break,
There'll always be an England,
And England shall be free,
If England means as much to you as England means to me.

THE MAPLE LEAF

In days of yore, from Britain's shore,
Wolfe, the dauntless hero came
And planted firm Britannia's flag
On Canada's fair domain.
Here may it wave, our boast, our pride,
And joined in love together,
The thistle, Shamrock, Rose entwine,
The Maple Leaf forever.
The Maple Leaf our emblem dear,
The Maple Leaf forever,
God save our King and heaven bless,
The Maple Leaf forever.

GOD BLESS CANADA!

God bless CANADA!
Land that I love,
Stand beside her, and guide her,
Through the night, with a light from above.
From the mountains, to the prairies,
To the oceans white with foam,
God bless CANADA, my home sweet home.

WE'LL MEET AGAIN

We'll meet again, don't know where, don't know when
But I know we'll meet again some sunny day.
Keep smilin' through, just like you always do
Till the blue skies drive the dark clouds far away.
So will you please say hello to the folks that I know
Tell them I won't be long,
They'll be happy to know that as you saw me go,
I was singing this song:
We'll meet again, don't know where, don't know when
But I know we'll meet again some sunny day.
I was singing this song:

MOONLIGHT AND ROSES

Moonlight and roses bring wonderful memories of you
My heart reposes in beautiful thoughts so true;
June light discloses love's olden dreams sparkling anew,
Moonlight and roses bring memories of you.

HAPPY DAYS ARE HERE AGAIN

Happy days are here again, the skies above are clear again
Let us sing a song of cheer again,
Happy days are here again.
All together, shout it now, there's no one here can doubt it now,
Let us tell the world about it now,
Happy days are here again.
Your cares and troubles are gone, there'll be no more from now on,
Happy days are here again, the skies above are clear again,
Let us sing a song of cheer again,
Happy days are here again.

I'LL BE WITH YOU IN APPLE BLOSSOM TIME

I'll be with you in apple blossom time,
I'll be with you to change your name to mine,
One day in May, I'll come and say,
"Happy the bride the sun shines on to-day."
What a wonderful wedding there will be,
What a wonderful day for you and me,
Churchbells will chime, you will be mine,
In apple blossom time.

ANNIE LAURIE

Maxwellton's bonnie are bonnies, where early fa's the dew,
And 'twas there that Annie Laurie gave me her promise true;
Gave me her promise true, which ne'er forgot will be,
And for bonnie Annie Laurie, I'd lay me down and dee.

ANCHORS AWEIGH

Anchors aweigh my boys, anchors aweigh,
Farewell to college joys we sell at break of day, day, day,
Through our last night on shore, Drink to the foam
Until we meet once more, here's wishing you a happy voyage home.

SHOW ME THE WAY TO GO HOME

Show me the way to go home, I'm tired and I wanna go to bed,
I had a little drink about an hour ago,
And it went right to my head,
No matter where I roam, o'er land or sea or foam,
You'll always hear me singin' this song,
Show me the way to go home.

DOWN BY THE OLD MILL STREAM

Down by the old mill stream, where I first met you,
With your eyes of blue, dressed in gingham too,
And it was there I knew that you loved me true,
You were sixteen, my village queen,
Down by the old mill stream.

KEEP RIGHT ON TO THE END OF THE ROAD

Keep right on to the end of the road,
Keep right on to the end.
Though the way be long, let your heart be strong,
Keep right on round the bend.
Though you're tired and weary, still journey on,
Till you come to your happy abode,
There all you love, you've been dreaming of,
Will be there at the end of the road.

HOME ON THE RANGE

Oh, give me a home, where the buffalo roam,
Where the deer and the antelope play
Where seldom is heard a discouraging word
And the skies are not cloudy all day.
Home, home on the range,
Where the deer and the antelope play,
Where seldom is heard a discouraging word,
And the skies are not cloudy all day.

WHEN THE MOON COMES OVER THE MOUNTAIN

When the moon comes over the mountain
Every beam brings a dream dear of you,
Once again we stroll 'neath the mountain
Through that rose covered valley we knew.
Each day is grey and dreary,
But the night is bright and cheery,
When the moon comes over the mountain,
I'm alone with my memories of you.

HELLELUJAH—I'M A BUM

Oh, why don't you work like other men do?
Now the hell can I work, when there's no work to do?
Hallelujah, I'm a bum,
Hallelujah, bum again.
Hallelujah, give a handout,
To revive us again.

Oh, I love my boss and my boss loves me,
And that is the reason I'm so hungry.

ALICE BLUE GOWN

In my sweet little Alice Blue Gown,
When I first wandered down into town
I was both proud and shy, as I passed every eye,
And in every shop window I'd primp passing by,
And in manner of fashion I'd frown,
While the world seemed to smile all around,
Till it wilted I wore it,
I'll always adore it,
My sweet little Alice Blue Gown.

Kiss me good night Sergeant Major
Tuck me in my little wooden bed
We all love you, Sergeant Major
When we hear you calling show a leg.
Don't forget to wake me in the morning,
And bring around a nice hot cup of tea
Kiss me good night, Sergeant Major,
Sergeant Major be a mother to me!

BLESS 'EM ALL

Bless 'em all, bless 'em all,
The long and the short and the tall,
Bless all the nurses when you're in dry dock,
You know your temperature's firm as a rock
But, when one feels your pulse you feel small
And you know that you've had a close call
No ice-cream and cookies for flat-footed rookies,
So, cheer up, my lads, bless 'em all!

When it's springtime in the Rockies
I'll be coming back to you,
Little sweetheart of the mountains,
With your bonny eyes of blue.
Once again I'll say I love you,

In the Rockies far away.

MEMORIES

O'er the sea of Memory I'm drifting back to you,

SIERRA SUE

Sierra Sue, I'm sad and lonely,
The rocks and firs are lonely too.
Sierra Sue, I want you only
No one but you Sierra Sue.
The roses weep their hearts are failing
The gentle doves no longer coo.
Oh! can't you hear my sad heart calling
Calling for you, Sierra Sue.

IF YOU WERE THE ONLY GIRL IN THE WORLD

If you were the only girl in the world,
And I were the only boy,
Nothing else would matter in the world today,
We could go on loving in the same old way
A garden of Eden, just made for two,
With nothing to mar our joy,
I would say such wonderful things to you,
There would be such wonderful things to do,
If you were the only girl in the world,
And I were the only boy

ETERNAL FATHER, STRONG TO SAVE

◊ Thou within whose sure control
The surging planets onward roll,
Whose everlasting arms embrace
The sons of every clime and race!
Hear Thou, O Lord, a nation's prayer
For these Thy children of the air!
Uphold their shaming argosies
Upon the vast ethereal seas,
Encompass Thou their valiant wings
In all their brave adventurings.
Hear Thou, O Lord, a nation's prayer
For these Thy children of the air!

NEARER MY GOD TO THEE

Nearer, my God, to Thee,
Nearer to Thee!
E'en though it be a cross
That reproeth me,
Still all my song shall be,
Nearer my God, to Thee,
Nearer to Thee!

ABIDE WITH ME

Abide with me! fast falls the eventide;
The darkness deepens; Lord, with me abide!
When other helpers fail, and comforts flee,
Help of the helpless, O abide with me!
Swift to its close ebbs out life's little day;
Earth's joys grow dim, its glories pass away;
Change and decay in all around I see—
O Thou who changest not, abide with me!

LEAD KINDLY LIGHT

Lead kindly Light, amid the encroaching gloom,
Lead Thou me on,
The night is dark, and I am far from home,
Lead Thou me on,
Keep Thou my feet I do not ask to see
The distant scene, one step enough for me.

ROCK OF AGES

Rock of Ages, cleft for me,
Let me hide myself in Thee;
Let the water and the blood,
From Thy sides, as which flowed,
Be of sin the double cure,
Cleanse me from its guilt and power.

BLEST BE THE TIE THAT BINDS

Blest be the tie that binds
Our hearts in Christian love;
The fellowship of kindred souls
Is like to that above.

O COME ALL YE FAITHFUL

O come, all ye faithful,
Joyfully triumphant,
To Bethlehem hasten now with glad accord
Lo! in a manger
Lies the King of angels;
◊ Come, let us adore Him, Christ the Lord!

BELLS OF ST. MARY'S

The Bells of St. Mary's, Ah, hear they are calling,
The young loves, the true loves, who come from the sea.
And so, my beloved, when red leaves are falling,
The love bells shall ring out, ring out for you and for me.

DAISY, DAISY, GIVE ME YOUR ANSWER, DO

Daisy, Daisy, give me your answer do,
I'm half crazy, all for the love of you,
It won't be a stylish marriage, I can't afford a carriage,
But you'll look sweet, upon the seat,
Of a bicycle built for two.

From "Taps" 'til Reveille
I dream the whole night through.
Each night 'til I hear Reveille,
I dream, my dear, of you.
I have your face before me
The moments we're apart
From "Taps" 'til I hear Reveille
I dream of you, sweetheart!

THERE IS A TAVERN IN THE TOWN

There is a tavern in the town,
And there my dear love sits him down,
Sits him down,
And drinks his wine 'mid laughter free
And never, never thinks of me.

— Chorus —

Fare the well for I must leave thee,
Do not let the parting grieve thee,
And remember that the best of friends must part;
Adieu adieu kind friends, adieu, adieu, adieu,
I can no longer stay with you, stay with you
I'll hang my harp on a weeping willow tree
And may the world go well with thee.

THE MAN ON THE FLYING TRAPPEE

Once I was happy but now I'm forlorn,
Just like an old coat that's tailored and torn,
I'm left in this wide world to cry and to mourn
Betrayed by a maid in her teens,
Ah the girl that I loved she was handsome and swell,
And I tried all I knew her to please,
But I never could please her one fraction so well
As the man on the flying trappee.
He flies through the air with the greatest of ease,
The daring young man on the flying trappee,
His manner is graceful, all girls he does please
And my love he has purloined away.

RED SAILS IN THE SUNSET

Red sails in the sunset, 'way out on the sea,
Oh! carry my loved one home safely to me,
He sailed at the dawning, all day I've been blue,
Red sails in the sunset I'm trusting in you;
Swift wings you must borrow make straight for the shore,
We marry to-morrow and he goes sailing no more;
Red sails in the sunset, 'way out on the sea,
Oh! carry my loved one, home safely to me.

LONG, LONG TRAIL

There's a long, long trail a-winding,
Into the land of my dreams,
Where the nightingales are singing,
And the white moon beams;
There's a long, long night of waiting,
Until my dreams all come true;
Till the day when I'll be going down
That long, long trail with you.

AROUND THE CORNER

Around the corner and under the tree,
The gallant major said, "Stroll with me,"
I said, "May, May" I said "No, No"
But ever since I've been there once,
I always want to go,
Around the corner and under the tree,
The handsome major, made love to me;
He kissed me once, he kissed me twice
It wasn't just the thing to do,
But gosh, it was so nice

SMILES

There are smiles that make us happy,
There are smiles that make us blue,
There are smiles that steal away the teardrops,
As the sunbeams steal away the dew,
There are smiles that have a tender meaning
That the eyes of love alone may see,
But the smiles that fill my life with sunshine
Are the smiles that you gave to me.

MY OLD KENTUCKY HOME

The sun shines bright in my old Kentucky home,
Tis summer, the daisies are gay,
The Corn-top's ripe and the meadow's in bloom,
While the birds make music all the day,
The young folks roll on the little cabin floor,
All merry, all happy and bright,
By'n bye hard times come knocking at the door,
Then my old Kentucky home, good night.

PEGGY O'NEIL

If her eyes are blue as skies,
That's Peggy O'Neil,
If she's smiling all the while,
That's Peggy O'Neil
If she walks like a sly little rogue,
If she talks with a cute little brogue,
Sweet personality, full of rascality,
That's Peggy O'Neil

WHEN I GROW TOO OLD TO DREAM

When I grow too old to dream,
I'll have you to remember
When I grow too old to dream,
Your love will live in my heart.
So kiss me, my sweet,
And so let us part,
And when I grow too old to dream,
That kiss will live in my heart.

MY WILD IRISH ROSE

My wild Irish Rose,
The sweetest flower that grows,
You may search everywhere, but none can compare
With my wild Irish Rose.
My wild Irish Rose,
The dearest flower that grows,
And some day for my sake, she may let me take
The bloom from my wild Irish Rose.

ROAMING IN THE GLOAMIN'

Roamin' in the gloamin' on the bonnie banks o' Clyde
Roamin' in the gloamin' wi' my lassie by my side,
When the sun has gone to rest,
That's the time that we love best,
O it's lovely roamin' in the gloamin'!

I LOVE A LASSIE

Oh, I love a lassie, a bonnie, bonnie lassie,
She's as pure as the lily in the dell,
She's as sweet as the heather,
The bonnie, purple heather,
Mary, ma Scotch blue bell.

WHEN IRISH EYES ARE SMILING

When Irish eyes are smiling,
Sure it's like a morn in Spring,
In the hilt of Irish laughter
You can hear the angels sing,
When Irish hearts are happy,
All the world seems bright and gay
And when Irish eyes are smiling,
Sure, they steal your heart away.

LET THE REST OF THE WORLD GO BY

We'll build a sweet little nest, Somewhere in the west,
With someone like you, a pal good and true,
I'd like to leave it all behind and go and find,
Some place that's known to God alone,
Just a spot to call our own.
We'll find perfect peace, where joys never cease,
Out there beneath the kindly sky,
And let the rest of the world go by.

ISLE OF CAPRI

'Twas on the Isle of Capri that I found her,
Beneath the shade of the old walnut tree,
Oh, I can still see the flow'rs blooming 'round her,
Where we met on the Isle of Capri.
She was as sweet as a rose at the dawning,
But somehow fate hadn't meant her for me,
And tho' I sailed with the tide in the morning,
Still my heart's on the Isle of Capri.
Summertime was nearly over,
Blue Italian sky above,
I said "Lady, I'm a rover,
Can you spare a sweet word of love?"
She whispered softly, "It's best not to linger."
And then as I kissed her hand I could see,
She wore a plain golden ring on her finger,
'Twas good-bye on the Isle of Capri.

BLUE SKIES

Blue skies, smiling at me,
Nothing but blue skies do I see,
Blue bird, singing a song,
Nothing but blue birds all day long;
I never saw the sun shining so bright,
Never saw things looking so right,
Noticin' the day go hurrying by,
When you're in love, My, how they fly,
Those blue days, all of them gone,
Nothing but blue skies, from now on.

SCHOOL DAYS

School days, school days, dear old golden rule days
Readin' and 'ritin' and 'rithmetic,
Taught to the tune of a hick'ry stick,
You were my queen in calico,
I was your bashful barefoot beau,
And you wrote on your slate,
"I love you, Joe,"
When we were a couple of kids.

IN THE GOOD OLD SUMMER TIME

In the good, old summer time,
In the good, old summer time,
Strolling thro' the shady lane
With your baby mine.
You hold her hand and she holds yours,
And that's a very good sign,
That she's your lovelay wootany,
In the good, old summer time.
